HAVE SOME FUN...

The Splash Bash is a practice meet for our team. The coaches will split the team into the "black" team and the "red" team for *fun* competition. What a great opportunity to show your coaches what you can do and also to get your swim times set for the 1<sup>st</sup> meet on Thursday, June 16<sup>th</sup>. Not only is this a good opportunity for the swimmers - it also shows and reminds the parents what to expect at an actual meet. Don't be afraid to step up and help - the more help there is -the better the meet goes!

See you there.
